Re: One-on-One Information at the White Tank Library

Environmental Services department teams up with White Tank Library to provide information to the public

Maricopa County Environmental Services department is pleased to announce a new public education/outreach effort in partnership with the Maricopa County Library District.

Starting Saturday May 19, an Environmental Health Expert from the department will be available on different dates during the summer at the White Tank Library. The department experts and representatives will provide information to the community and help answer questions about a variety of Environmental Health topics.

Schedule

10:15 am-12:15pm on the following Saturdays:

May 19 – *Bed Bugs and Food Safety*

June 23 – *Swimming Pool Health and Safety*

July 28 – *West Nile virus, mosquitoes, bees and roof rats*

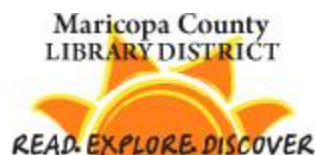

The White Tank branch is located at 20304 W White Tank Mountain Rd., Waddell, Arizona 85355.

(The library and nature center is located at the entrance to Maricopa County's White Tank Mountain Regional Park at the western end of Olive Ave.)

The public in general is encouraged to come and visit our booth for one-on-one information and materials.
